

GISELE ABRAMOFF

Gisele Abramoff is a powerfull brazilian Pop / House / Dance singer based in Munich, Germany.

The year 2020 brought her great challenges. She released in January her single "RUN TO ME", produced by DJ Andre Werneck and DJ Mauricio Cury and mastered by the Grammy Award Winner Sound Engineer Paulo Jeveaux.

With the same producers Gisele released in June her newest single "SOMETHING". The Track reached right on that week the position #1 Trend of the Day on the Digital DJ Pool website.

One more professional achievement happened in March 2020 when her vocals were featured on "Samba do Noite", the newest Track from Domenican-American Grammy Award Winner producer and house music DJ Roger Sanchez (The SMen).

Gisele is currently recording her new Pop / Dance EP to be released in August and also recording Vocals for new featurings with known House DJs around the world.

Vocalist of the Group Dalimas), formed in 2003 with producer Tibor Yuzo and DJ Tom Hopkins, Gisele performed her hits at the Planet Pop Festival 2004, 2005 and 2006, a two-day dance music festival in São Paulo, Brazil, together with Lasgo, Ian Van Dahl, DJ Jan Wayne, Cuva, DJ Ross and Magic Box. When 2006 arrived, Dalimas had a massive and loyal fanbase and presented her songs from her debut album "Dreams" at the Marafolia Festival for a 30.000 people.
